# VidyoConnect™ Tools • Tips • Tricks

WHITEBOARD

1. When you're ready to use the whiteboard, click **Share applications** on the in-call toolbar.
2. Select **Whiteboard** in the application bar, click the whiteboard, and then click SHARE **Share**.

Selection	Text	Draw	Shape	Color fill	Color stroke	Undo	Redo	Delete
Copy	Paste	Pages	Save	Undock whiteboard	Request access*	Zoom out	Zoom in	Drag

NOTE

- Whiteboard is view-only for the browser experience (FireFox, Chrome, MS Edge).
- One participant can annotate on the whiteboard at a time.
- Other participants ✓ can request to annotate on your whiteboard. *Only displays when viewing the whiteboard.
- Clicking ALLOW when prompted passes control of the whiteboard. You will no longer have control and can revoke access at any time.

User Name is requesting to annotate on your whiteboard
ALLOW
By allowing you will not be able to make annotations
