

Vidyo®

VidyoConnect™ Huddle Room Experience

Enterprise-grade meeting solutions for small, customizable spaces

Use Cases

- **Core team meetings**
A space where teammates can meet in person and over video to discuss ongoing projects and goals
- **Working session with content share**
A small room where two people can leverage content share on a larger screen while collaborating on a project
- **Private collaboration space**
A distraction-free spot for an employee to work with a teammate over video

Benefits

- **Affordable**
VidyoConnect huddle room experience solutions are affordable, flexible, and grow with your organization
- **Space saver**
Video enabled huddle rooms are the ideal solution for smaller office spaces that need private meeting rooms
- **Multi-purpose**
Huddle rooms can be used for a wide range of use cases, from quick 1:1 calls to weekly collaboration sessions
- **High quality for all participants**
Transmit high frame rate audio and video content up to 1080p30 and receive up to Ultra HD 4K video

Business Challenge

As the modern workplace continues to evolve, we are constantly reimagining the way we collaborate using the latest technologies available to us.

Employees need flexible, video enabled spaces for impromptu brainstorming sessions with teammates that is comfortable and eliminates distractions.

Employers need an affordable solution that can fit into any small space and continue to grow along with the organization.

Vidyo Solution

The VidyoConnect Huddle Room Experience is for enterprise organizations who need to affordably scale and deploy a video solution in small room environments ideal for 3-6 people, and want a simple, easy to manage in-room solution to enable employee engagement, team collaboration, brainstorming, and productivity.

The VidyoConnect Huddle Room Experience leverages VidyoRoom SE, an installable software group system that delivers an industry leading ultra HD environment on off-the-shelf computing hardware. Unlike other video conferencing solutions, the VidyoConnect Huddle Room Experience provides the flexible, hassle-free collaboration space your employees want for thousands less.

“We implemented Vidyo, and I’ve got to tell you, it’s been a lifesaver. More specifically, it’s been a money saver.”

-President AFA

Anticipated Results

With the VidyoConnect huddle room experience, employees can leverage private spaces purpose-built for brainstorming and collaborating with their teammates that will increase productivity and encourage innovation.

As your organization continues to grow and evolve, Vidyo’s flexible solutions will mold to fit your environment.
